

## **Senator Figueroa Appears At *The Sensory Center* To Announce New Autism Resolution**

*The Sensory Center* is hosting an event for Senator Figueroa (D- Fremont), who spearheaded Senate Concurrence Resolution 43 (SCR 43), which declares April as Autism Awareness Month. The event will take place on Friday, April 29<sup>th</sup>, from 10:00AM -10:30AM at the Center, which is located in Pleasanton. It is expected that there will be representation for other key officials, including Assemblyman Guy Houston's office, in honor of Figueroa's successful efforts. *The Sensory Center* provides intervention for autism, ADD, ADHD and other conditions that may affect learning ability. Their new program accelerates sensory integration and can develop learning abilities in people of all ages.
